

Disability, Self-Image & Developmental Disorders

BOOK RECOMMENDATIONS

According to government statistics, there are over 11 million people in the UK with a long-term illness, impairment or disability. There are also over 700,000 people with developmental disorders in the UK.

YA Shot believes that everyone should be represented in stories. No one should be excluded.

Fiction is an excellent way to learn more about the world and the people in it. If you found this list helpful, ask your librarian for further recommendations.
